The screenshot shows the AWS IAM console interface. The 'Groups' page is active, with the 'Users' tab selected. The interface displays a table of users with columns for Name, Access Key, Status, and Last Used. A 'Create New User' button is located at the bottom right of the table.

[illegible][illegible][illegible]

The screenshot shows the AWS IAM console 'Groups' page. The 'AWSManagedOnly' group is highlighted in blue. Below the list, there are sections for 'Groups' (showing 'AWSManagedOnly' with details like 'Created: 2019-08-28 15:00:00 UTC-07:00') and 'Users' (showing 'root' with details like 'Created: 2019-08-28 15:00:00 UTC-07:00'). The 'root' user is highlighted in blue.

 Scoprire quanto sia facile e quanto sia difficile [la vita](#) di un astronauta. Perché la NASA ha deciso di mandare in orbita un robot che si somigliasse a noi, un robot che potesse aiutarci a capire meglio il nostro mondo e il nostro futuro. E che potesse anche aiutarci a capire meglio il nostro mondo e il nostro futuro.
